From the Shenandoah Valley to your door.

We locally raise free-range Black Angus cows and Yorkshire pigs on Long Pond Farm in nearby Berryville, Virginia. Buy our healthy, locally grown beef and pork today and have it delivered to your door!

What's Available

Specialty Pork Box \$259 (\$12.95/lb.) - Selection of Specialty Chops, Bacon or Ham, and Ground Sausage Packs for all different preparations

Our Yorkshire pigs are raised outside (not in small cages) with fresh air, room to root, and pleasant views of surrounding fields. While our pigs do eat all-natural pig food, they are raised without any additional hormones or antibiotics and love rolling and rooting in hay rolls we grow right on the farm! They drink clean, naturally filtered water from our spring-fed wells and enjoy stress-free days with plenty of clean air, sunshine, and sleep. All this makes for delicious pork chops, roasts, ham steaks, bacon, and sausage!

Premium Beef Box \$379 (\$18.95/lb.) - Selection of Premium Steaks and Ground Burger Packs for all different preparations

Our Angus cows are free-range, grass-fed, and grass-finished. They are never fed any artificial supplements, additives, or ingredients. Our cows eat nothing but grass and hay grown right on our farm and are raised without any additional hormones or antibiotics. They drink clean, naturally filtered water from our spring-fed cisterns and wells and enjoy stress-free days with plenty of clean air, sunshine, and room to range about. All this makes for delicious grass-fed and finished steaks, filets, roasts, and burgers.
